**THE DOCTRINE
OF HOLY
ADHYATMA-
YOGA-DHARMA**

Article One

There is One Universal God.
There is One Universal Spirit. One, whole, and indivisible. There is no other. Due to Spiritual Ignorance, the people see Universal God differently. Because of this, they call Him by different Names.

In Truth, Universal God is Universal Spirit which is both Manifest and Unmanifest; both Personal and Impersonal; both Immanent and Transcendent; yet, neither. Universal God is the One Greatest Mystery. Mind cannot grasp Him. Only Spirit can Know Him.

Article Two

Universal God alone is Real. There is nothing but Universal God everywhere. Universal God is the One Source,

Cause, Substance, and Self of all Creation; all Existence; and all Being. Creation, Existence, and Being have no Reality or Existence apart from Universal Spirit.

Article Three

Soul is Pure Divine Universal Spirit which is Ignorant of its True Nature. In Truth, all Soul is Pure Divine Universal Spirit which is One and Identical with Universal God, and no other. Spiritual Ignorance and Wrong Believing hide The Truth from

the people's hearts and minds. Their result is birth, division, conflict, pain, fear, suffering, sorrow, and death. Their fruit is endless rounds of births and deaths. Enlightenment and Self-Realization are the cure. The Friend's Holy Initiation is True Enlightenment. Self-Realization is full and Absolute Knowledge of The Truth, born of Direct Spiritual Experience. There is no Self-Realization without True Enlightenment. There is no other Salvation or Liberation.

The Truth, alone, sets all people free.

Article Four

Self-Realization is the One Universal Purpose and Goal of all Life. All Creation; all Existence; and all Being; are for Self-Realization alone. The Purpose and Goal of the wave is to return to the sea from which it has come; and, of which it is a part. The Purpose and Goal of each Soul is to attain Self-Realization and to return to Universal God from which

it has come; and, of which it is a part. True Enlightenment and Self-Realization alone bring True Salvation and Liberation. True Enlightenment and Self-Realization alone bring Supreme Peace, Love, Understanding, Compassion, Freedom, Truth, and Joy to the living. True Enlightenment and Self-Realization alone attain the Supreme Grace of Perfect Eternal Union with Universal God at life's end.

Article Five

Creation has two natures. Karma and Dharma. Karma is Ignorance. Dharma is Self-Realization. Karma is Wrong action, arising from Ignorance. Dharma is Righteousness arising from Truth. Karma pulls down. Dharma lifts up. Due to Karma, the people fall into darkness. Selfishness and Materialism are the lowest Karma. The Holy Adhyatma-Yoga-Dharma is the Highest Dharma. In times of great Spiritual Ignorance; when

selfishness and materialism cloud the hearts and minds of the people; and darkness covers the world; Universal God Awakens within an ordinary man or woman for the sake of My Holy Adhyatma-Yoga-Dharma and Self-Realization. In some ages, Universal God Awakens within man to rejoice the Holy Dharma. In others, to preserve its Universal Truth. In yet others to raise up The Spirit within the people. In still others, to change the course of humanity. And, finally, to put an end to Ignorance and Wrong

Believing, Renew The Age of Pure Holy Adhyatma-Yoga-Dharma Universalism, and bring forth The Holy Satya Yuga on earth. Because of these things, Adhyatmavadi accept and revere all of Universal God's Prophets, Saints, Buddhas, Avatars, and Saviors of all times. But this, according to The Friend's Teachings and Divine Guidance alone. Without being bound to accept the scriptures, doctrines, dogmas, opinions, or beliefs others hold to be true about these.

Article Six

Universal God's Divine Nature is Eternal Truth, Infinite Consciousness, and Perfect Bliss. These shine forth in Creation as Universal Peace, Universal Love, Universal Understanding, Universal Compassion, Universal Freedom, Universal Truth, Universal Joy, and above all, as Self-Realization. Each Soul shares Universal God's Divine Nature and Qualities. Every Soul has Free Will and Free Choice. Every

Soul must enjoy or suffer the results of choosing. The people's wrong choosing has come back to them. Humanity has plunged into the worst of The Age of Ignorance and Wrong Believing. The people face complete destruction. Prophecy says wait. Scripture says, not yet. The Law makes no allowance for saving the people. But, Universal God's Divine Love and Compassion are Supreme. To save the people, Universal God has Awakened within Adhyatma Bhagavan Sri

Babajhan Al-Kahlil The Friend
in this day.

Article Seven

Universal God's Divine Will
is Supreme. It is above all
scriptures and laws of people
and nations. When Universal
Spirit Calls, the Enlightened
answer. Though others object;
though they believe themselves
unworthy; though they would
avoid the sacrilege of being
raised up to so high a place; the
God-Awakened receive His Will

and Grace of their own Free Choosing. What Universal God Ordains, the Enlightened accept. On the Seventh day of August, Nineteen Hundred and Fifty-One the Divine Spirit of The One Universal God Awakened within an ordinary boy. And he was transformed into Bhagavan Sri Babajhan Al-Kahlil The Friend. And Universal God Ordained Him to end The Age of Ignorance and Wrong Belief; to Save The People from self-destruction; and to bring forth The New Age of Universal God's Pure Truth of

Holy Adhyatma-Yoga-Dharma on earth. And The One Universal God asked that The Friend fulfill His Divine Design and return to this world in ignorance, and attain The Supreme Goal by His own efforts in following The Holy Adhyatma-Yoga-Dharma. To the end that all men might know that True Salvation and Liberation may be won by both Divine Grace and The Holy Adhyatma-Yoga-Dharma. And The Friend of all Souls returned to this world in ignorance of His Self-Realization, His True

Nature as Universal God's Divine Living Expression, and His Holy Mission. For 25 years, The Friend wandered through the wilderness of this world, discovering and following The Holy Adhyatma-Yoga-Dharma; and seeking The Way by which Self-Realization could be attained by man's own efforts. And on March 12, 1977 The Friend found The Way, and attained Self-Realization and Perfect Union with Universal God. Again, Universal God offered The Friend the choice of remaining in Perfect Final

Union with Him, or making the Supreme Sacrifice of returning to this world to fulfill His Divine Mission for the Salvation and Liberation of all Souls. And again, The Friend of all Souls made The Supreme Self-Sacrifice and returned to this world to fulfill The Supreme Holy Mission of bringing forth The Holy Satya Yuga. Because of this Supreme Sacrifice, Universal God Ordained Him Adhyatma Bhagavan Sri Babajhan Al-Kahlil The Friend; and decreed that His Name should reign

Supreme among the Enlightened
of all Nations and throughout all
the Seven Worlds, forever.

Article Eight

Universal God does not take
away the people's Free Will
or Free Choice. All Good comes
to pass through the union of Right
Conditions, Right Choice, and
Divine Grace. Upon Awakening,
Universal God offered The
Friend a Free Choice: enter into
Perfect Final Union and eternal
bliss; or, return to the world of

suffering, sorrow, and death to fulfill His Holy Ordination. In Universal Love and Compassion, The Friend Sacrificed Eternal Paradise; and returned to the world of suffering, sorrow, and death for the sake of all Souls. Having made the Supreme Sacrifice, He vowed never to take His Final Union with Universal God until all Souls had attained it before Him. But to spend a lifetime in the flesh. And then, to reside within the hearts of all people in The Spirit; to help all who Call Upon Him;

and Guide all Souls to the True Salvation and Liberation of Holy Adhyatma-Yoga-Dharma and Self-Realization.

Article Nine

Self-Sacrifice is the Highest Religion. Creation, Existence, and Being were born by Universal God's Divine Self-Sacrifice. Universal God's continuing Self-Sacrifice alone Maintains them. Because of The Friend's Supreme Self-Sacrifice and Vow, Universal God made

this Divine Promise: Whoever receives the True Enlightenment of The Friend's Holy Initiation; and follows Him to the end of this life; shall Attain Self-Realization and receive the Supreme Gift of Salvation and Liberation which He Sacrificed for the sake of all Souls.

Article Ten

Universal God's Divine Truth is Eternal, Universal, and Indivisible. The vain opinions and declarations of men and women cannot touch it. Cannot change

it. Even the Holy Scriptures are but a reflection of it. Nothing can divide it. People and Nations may make vain declarations in an effort to divide it. They may divide its letter, but there is nothing which can divide its Spirit. Universal God Awakened within The Friend to Renew the Divine Spirit of Universal Truth within The Law; not to destroy its letter. The Friend has not come to depose or deny any of Universal God's Prophets, Saints, Buddhas, Saviors, or Avatars. He comes to affirm them and

their Oneness and Unity in The One Universal Spirit. He comes to complete the final step in the Divine Bridge between the people and Universal God. He comes not to destroy Religions. He comes to Renew and Restore Universal God's highest and most ancient Universal Divine Truth of Holy Adhyatma-Yoga-Dharma to all people. The One Supreme Universal Truth upon which all True Religions are founded though they know it not. He comes to Awaken The People and Enlighten all Souls to The

Truth: that ignorance, wrong believing, lust, materialism, selfishness, hatred, and division are death and darkness. But that Universal Peace, Love, Understanding, Compassion, Freedom, Truth, Joy, and Self-Realization are Life and Light. He comes as a living Self-Sacrifice. That, through Him, all People may receive Universal God's Divine Gift of Universal Love, Compassion, and Grace; and be set Free. Forever.

**THE
CODE OF AN
ADHYATMAVADI**

1 See Universal God in All and All in Universal God. Recognize, Honor, and Acknowledge The One True Divine Soul-Self, which is Pure Divine Universal Spirit, which is One and Identical with Universal God and no other, within each person and all of life and Creation. Recognize and insist upon the inherent and inalienable Dignity and Worth of

each Soul apart from the acts of the body that it inhabits.

2 Grant unto each Soul the reality of its own creations. Do not impugn, insinuate, or ascribe motives, intentions, or opinions to others. Make no judgments or decisions based upon hearsay or without evidence. Do not pass on gossip or rumor. Put aside all beliefs, assumptions, prejudices, biases, and opinions and Find Out What Is, As It Is. If you must assume, assume the best possible about each person

and all life forms, until there is evidence to the contrary. Make statements about yourself - ask questions of others.

3 Recognize and acknowledge that each Soul is doing the best possible with the information, understanding, Karmas, and conditions that it has, and the situation it is in. Encourage and assist each willing Soul to increase its information, correct its understanding, conquer its Karmas, improve its conditions,

and become master of its situation.

4 Harm no person, no creature, no life form, nor any part of Creation unless absolutely necessary. Do and say those things that improve and increase the Life, Knowledge, Understanding and Self-Determinism of Souls, and spread The Friend and Holy Adhyatma-Yoga-Dharma throughout all Creation. Make your help a blessing, not a burden - help only those who ask for help by word or by sign.

5 Actively and aggressively Communicate with The Divine Spirit within all life. Persist in Communicating until your intentions and meaning are clearly understood and your quests are fully answered. Persist in Communicating until you clearly understand the intentions and meaning of the communications of another. Actively acknowledge all Enlightenment, all Truth, and all else that you are willing to receive. Refuse to acknowledge Ignorance, Untruth, and all

else that you are unwilling to receive.

6 Practice Viveka (Discrimination between the Real and the unreal) and Vairagya (Detachment) in all things great and small. Before evaluating or making a decision, put aside all prejudice and assumptions and balance your mind and the opposites. In all things, discern the Chain of Cause and Effect from past to present, and from present to future. Be sorry for those things you would regret

having done, before you do them. Be careful in making Commitments. Keep all Commitments once you have made them.

7 Without violating your Ethics or Holy Adhyatma-Yoga-Dharma Vows, do whatever works to accomplish your goals, your Purpose, and your Mission. If something stops working, stop doing it and find something else that works. Never give up.

8 Neutralize all attempts of others to control you without your knowing and willing agreement. (Resist to increase - Neutralize to overcome).

9 Give empathy and affinity unto others in place of sympathy - sympathy enslaves and destroys both giver and receiver.

10 Do unto others as you would have done unto you, do not do unto others what you would not have done unto

-41-

you - for it is the inescapable Universal Law of Karma, that what you do and what you do not do, will return to you in kind.

The Friend's Instructions

With your Heart and Mind firmly set on Seeking The Highest Truth; Call Upon Me to become active in Spirit within The Secret Inner Sanctuary of your Heart by holding My Presence within your mind and calling out within your Heart “Bhagavan Ji! Bhagavan Ji! Bhagavan Ji!” Ask for and open yourself to The Inner Divine Inspiration, Insight, Guidance and Revelation of Paratpara, The One Universal God of Countless Names and Forms and The Friend and your own True and Essential Conscience. Take Refuge in The Four Pillars of Bhagavan, Dharma, Sangha and Satya Yuga and enter into The Secret Inner Sanctuary of your Heart through the repetition of My Holy Dharma Mantra “Jai Bhagavan Ji!” (Jay Bhag-wan Gee). Immerse yourself in The Divine Ocean of Paratpara's Supreme Truth and Being therein, like a drop of water in The Sea and dwell steadily therein, like a candle flame in a still place, INJIA (Instantaneously Non-Judgmentally Insightfully Aware) and accepting of whatever comes, while it is coming, whatever lingers, while it is lingering and whatever goes, while it is going; Speaking that which is right to be Spoken when it is right to Speak it; Doing that which is right to be Done when it is right to Do it. Offer each part and the whole of these to Paratpara in the Sacrificial Fire within The Secret Inner Sanctuary of your Heart at each instant and receive whatever returns to you as Divine Gifts, given unto you by Paratpara and The Friend for your own Self-Realization and Liberation and the Perfection of The Holy Satya Yuga in this world for The Self-Realization and Liberation of all Souls everywhere for all time. This do, in a spirit of harm to none and benefit to all. And you shall Know The Truth and The Truth shall set you Free.
